

Survey of students' views on Turnitin

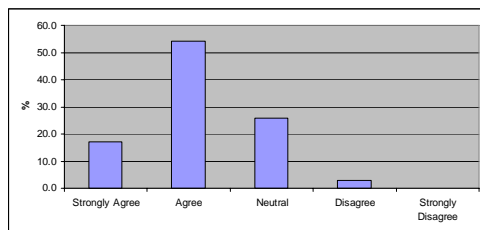

L2 Economics

I have received enough information about Turnitin

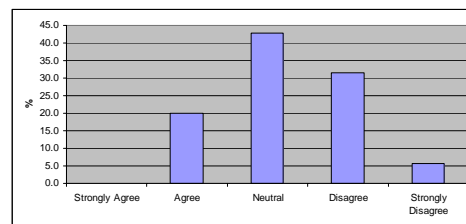

2

I have found it useful to have practice sessions in using Turnitin

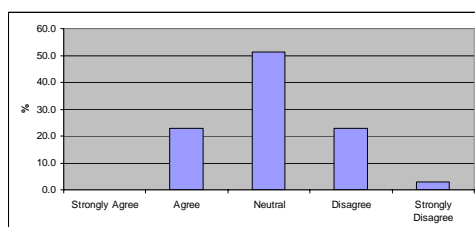

3

The practice session with Turnitin helped me to improve my writing

4

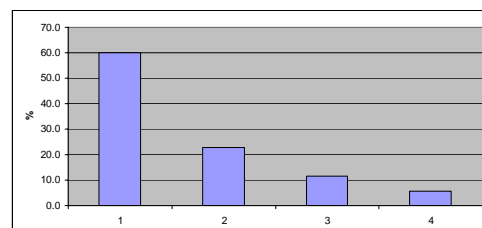

I am anxious about my work being put through the Turnitin system

5

Turnitin is best used as:

1. A way to discourage students from plagiarising
2. A way to teach students about referencing
3. The practice session helped me to improve my writing
4. Other

6

Summary of student comments

- The OR was useful; I was glad to use it
- Helped with quotes and referencing
- Reduces our deadline (common comment)
- Didn't pick up everything
- It gave some references I hadn't used
- Useful and easy to use
- I completely support its use
- It should be used in all modules
