Introduction

UK Research and Innovation Training Grants Standard Terms and Conditions of Training Grant

These Standard Terms and Conditions of Training Grant relate to Training Grants, awarded to Research Organisations by the following seven UK Research and Innovation (UKRI) Councils:

Arts and Humanities Research Council (AHRC)
Biotechnology and Biological Sciences Research Council (BBSRC)
Economic and Social Research Council (ESRC)
Engineering and Physical Sciences Research Council (EPSRC)
Medical Research Council (MRC)
Natural Environment Research Council (NERC)
Science and Technology Facilities Council (STFC)

Application of Standard Terms and Conditions of Training Grant

In these Standard Terms and Conditions of Training Grant, the words “**We**”, “**Our**” or “**Us**” refer to the relevant **Council of UKRI awarding the Training Grant** and “**You**” or “**Your**” refer to the **Research Organisation in receipt of the Training Grant**. Other key terms used in these Standard Terms and Conditions of Training Grant are set out in the Definitions attached at Annex A.

These Standard Terms and Conditions of Training Grant, together with any applicable Specific Terms and Conditions of Training Grant required by an individual Council of UKRI, comprise the Training Grant Terms and Conditions on which UKRI awards the Training Grant to the Research Organisation. Specific Terms and Conditions of Training Grant will be set out in the Grant Offer Letter.

These Training Grant Terms and Conditions should be read in conjunction with the sources outlined in Annex B, in the event of any conflict the terms of these Conditions should prevail.

Use of Training Grant Information

UK Research and Innovation (UKRI) handles all personal data in accordance with current UK data protection legislation and the EU General Data Protection Regulation (GDPR) where appropriate.

It is the responsibility of the Research Organisation to ensure that both students it funds from UKRI funding and individuals who receive grant funding, or who are later involved in the award, are made aware of how personal data may be used by both UKRI and the Research Organisation. This includes information relating to groups such as students, supervisors, project partners, investigators, named researchers and support staff.

To meet UKRI's obligations for public accountability and the dissemination of information, contents of funded research proposals will also be made available on the Councils' websites and other publicly available sources. As a condition of funding, UKRI may use the data to publish information on awards made. We may also share information with third parties to support, for example, open access publication and reporting outcomes via Researchfish. This includes data submitted through Je-S Student Details (SD).

UKRI is also subject to the UK Freedom of Information Act (2000) and the Environmental Information Regulations (2004) and may be required to release grant information on request, subject to appropriate exemptions.

Further information is provided by the UKRI Use of grant proposal information addendum (<https://www.ukri.org/files/funding/tcs/grants-addendum-pdf/>) and via the UKRI Privacy Notice (<https://www.ukri.org/privacy-notice/>).

Standard Terms and Conditions of Training Grant

TGC 1 Variation to Terms and Conditions

UKRI reserves the right to amend and vary these Standard Terms and Conditions of Training Grant and any Specific Terms and Conditions of Training Grant or applicable policies at any time. The latest version of the Standard Terms and Conditions of Training Grant apply to all Training Grants with immediate effect and supersede any previous Standard Terms and Conditions under which a Training Grant was awarded unless otherwise stated. However, any Specific Terms and Conditions of Training Grant will still apply. Additional costs incurred as a direct result of changes made to Our Terms and Conditions should be managed within the Training Grant cash limit. Where the cash limit is exceeded solely due to costs incurred as a direct result of changes made to Our Terms and Conditions, a case can be made to Us for additional funds on an exceptional basis. The latest version of the Standard Terms and Conditions of Training Grant are available on the UKRI website at: <https://www.ukri.org/funding/information-for-award-holders/grant-terms-and-conditions/>

TGC 3.1.1 You are responsible for ensuring that ethical issues relating to a Student's research activity funded from the Training Grant are identified and brought to the attention of the relevant approval or regulatory body. Before any such work requiring approval begins, approval must have been granted by the relevant body.

TGC 3.1.2 You must follow Our Policy and Guidelines on Governance of Good Research Conduct at: <https://www.ukri.org/about-us/policies-and-standards/research-integrity/> and ensure that the requirements set out in the Concordat to Support Research Integrity (2012) are met. In particular, You are responsible for ensuring all necessary permissions are obtained before the research activity begins, that there is clarity in roles and responsibility among Students, Supervisors and any other Third Parties, as well as investigating and reporting unacceptable research conduct. Any potential conflicts of interest in research must be declared to Us and subsequently managed.

TGC 3.2 Use of Animals in Research

You must comply with the provisions of the Animals (Scientific Procedures) Act 1986, and any amendments, where applicable and ensure that all necessary licences are in place before any work requiring approval takes place. You should also follow the guidance set out in "Responsibility in the use of animals in bioscience research" at <https://www.nc3rs.org.uk/responsibility-use-animals-bioscience-research>

TGC 3.3 Health and Safety

You are responsible for ensuring a safe working environment for all individuals associated with any research activity funded by the Training Grant, both on and off-site, and for meeting all regulatory and legislative health and safety requirements.

We reserve the right to require You to undertake a safety risk assessment in individual cases where health and safety may be an issue, and to monitor and audit the actual arrangements made. In the event of a serious incident (e.g. death) we require that you inform us for risk purposes.

TGC 3.4 Equality, Diversity and Inclusion

You are expected to ensure that equality, diversity and inclusion is considered and supported at all stages throughout the performance of the Training Grant, in alignment with Our policies and principles at: <https://www.ukri.org/about-us/policies-and-standards/equality-diversity-and-inclusion/> for equality, diversity and inclusion. Your approach to supporting equality, diversity and inclusion is expected to exceed all relevant legal obligations, including but not limited to those of the Equality Act 2010.

TGC 3.5 Safeguarding

All relevant safeguarding legislation must be adhered to, We particularly draw your attention to child protection legislation and the Modern Slavery Act 2015. You must have sufficient policies and/or processes in place in order to foster Safeguarding.

TGC 4 Use of Training Grant

TGC 4.1 We reserve the right to vary the value of the Training Grant during its lifetime in accordance with the GDP Deflators published by HM Government or to take into account any other Government decisions affecting the funding available to UKRI.

TGC 4.2 Payment arrangements will be as specified by the awarding Council. You may use the flexibilities within the Training Grant to allow location and discipline to be taken into account, in order to support Students appropriately. Where London Weighting is explicitly included within the Training Grant, it must be passed on to the Student.

TGC 4.3 Training Grant Funds cannot be used to cover the difference between home and overseas fee rates.

TGC 4.4 For a fees only Student, all the Student's fees must be funded from the Training Grant or Training Account of a single Council.

TGC 4.5 Where a Student is eligible for a full award, at least 50% of the total cost of the Studentship must be drawn from the Training Grant or Training Account of a single Council. A Student must not be expected to bear the cost of any shortfall in funding. Notwithstanding any Specific Conditions, the research undertaken by a Student as part of a Studentship must fall predominantly within the remit of the Council(s) funding that Studentship. One Council must always be designated as the majority funder for monitoring and information purposes.

TGC 4.6 Remuneration costs for duties considered to constitute employment, such as demonstration and teaching, must not be taken from the Student's stipend covered by the Training Grant or Training Account.

TGC 4.7 You may incorporate costs associated with the administration of training, advertising costs and open days, into the fee level that You charge to the Training Grant, these costs may not be taken from the Training Grant other than through the fee level, unless explicitly stated otherwise within any Specific Terms and Conditions of the Training Grant. In addition, these fees must be equal to the level of fee used for UK/EU non-UKRI funded Students on similar programmes. Where this fee is higher than the annual rate set by Us, You may draw this from the Training Grant subject to any Specific Conditions. Students must not be charged additional fees, including overseas fee levels, above the level paid by Us.

TGC 4.8 With the exception of TGC 4.9, Training Grant funds cannot be used to meet the costs of an activity that falls outside of the Training Grant Period or for the costs of an individual Student which fall outside of their funded period.

TGC 4.9 Expenditure may be incurred prior to the start of the Training Grant and subsequently charged to the Training Grant, provided that it does not precede the date of the Offer Letter.

TGC 4.10 Transfers of funds between fund headings are permitted, with the exception of those funds which are specific to an individual Student such as Disabled Students Allowance, or where specified otherwise by the awarding Council.

TGC 4.11 You may request reimbursement for support provided through the Disabled Students' Allowances. Further information can be found in Our Disabled Students' Allowances Framework Document and associated information:
<https://www.ukri.org/skills/funding-for-research-training/>.

TGC 5 Starting Procedures and Training Grant Arrangements

TGC 5.1 Starting Procedures

TGC 5.1.1 You must formally accept the Training Grant by completing and returning the Offer Acceptance within 10 working days of the issue of the Offer Letter.

TGC 5.1.2 You must submit the Start Confirmation within 42 (calendar) days of the fixed start date specified in the Offer Letter, or within one month of a Student starting, whichever is sooner. The date entered on the Start Confirmation will be the Official Start Date of the Training Grant.

TGC 5.2 Student Eligibility

TGC 5.2.1 The use of funding to provide full awards or fees only awards should be in accordance with Student eligibility as defined by the awarding Council.

TGC 5.2.2 Students in full-time employment are not eligible for a stipend of any kind from UKRI. A Student in part time employment may be eligible for a part time award, which should not be less than 50% of full time.

TGC 5.2.3 Where the Student is concurrently in receipt of an award or multiple awards which, together, fund 100% of the Studentship from other sources for the same research or qualification purpose, the Studentship funded by the Training Grant or Training Account must be suspended for the time period that the other income covers. Notwithstanding TGC 5.2.2, other income that the Student may be in receipt of during the tenure of the Studentship does not affect the Student's eligibility to receive funding from the Training Grant or Training Account.

TGC 5.2.4 You are responsible for residential eligibility checks on Students. By submitting Student details to the Je-S Student Details, You are confirming that the Student is eligible to receive the level of funding allocated to them, in accordance with Our eligibility requirements which are based on the Education (Fees and Awards) (England) Regulations 2007 and any subsequent amendments. Notwithstanding any Specific Conditions, to normally be eligible for a full award a Student must have no restrictions on how long they can stay in the UK and have been ordinarily resident in the UK for at least 3 years prior to the start of the Studentship (with some further constraint regarding residence for education). To be eligible for a fees only award, a Student must be ordinarily resident in a member state of the EU, in the same way as UK Students must be ordinarily resident in the UK. For further information regarding residence requirements, please see the regulations.

TGC 5.3 Part Time Study

You must offer the option of studying on both a part time and full time basis, with a minimum of 50% of full time equivalent required.

TGC 6 Extensions and Early Submission

TGC 6.1 Extensions

TGC 6.1.1 The period of a Student's support must be extended in line with these Training Grant Terms and Conditions, to offset a period of absence for maternity leave, shared parental leave, adoption leave, absences covered by a medical certificate and extended jury service, this must be in line with TGC 8.1 and TGC 8.2. The total period of an agreed extension must not normally exceed 12 months during the lifetime of an award. Please see TGC 8.4 for further information.

TGC 6.1.2 You must agree the start and end dates for the funded period of study at the outset, these must not be amended during the doctoral project unless TGC 6.1.1 or exceptional circumstances apply, including suspensions in line with the awarding Council's guidance. We will monitor any amendments to the start and end dates and reserve the option to apply original dates for assessing when thesis submission is due.

TGC 6.2 Early Submission

Students may submit their thesis prior to the end of their award. Where the Student continues to undertake work that is directly linked to their thesis, it is permissible to continue their funding from the Training Grant until the end of the quarter in which the thesis is first submitted. Where the Student submits on or after the original end date of their award, funding must cease on the original award end date.

TGC 7 Monitoring

TGC 7.1 Changes to Study and Location

TGC 7.1.1 You may approve a single change in the mode of study from part time to full-time or vice-versa without prior approval from Us. You must not approve a change of the mode of study for health reasons unless medical evidence indicates that part time study is feasible and full-time study is not. You must not, without consultation with Us, agree more than one change of mode of study during any one Studentship or a change of mode of study in the final six months of a Studentship.

TGC 7.1.2 The Training Grant will not be amended to take account of the transfer of a Student from one Research Organisation to another or from one department to another within the Research Organisation.

TGC 7.1.3 You must not agree a transfer of Studentship to an institution which is not eligible for Our funding or, agree a transfer to a programme of study which falls wholly outside of the remit of either the awarding Council or, where applicable, the Training Grant.

TGC 7.1.4 Where the Student ceases to continue to study toward a doctoral award, but instead continues to work towards a Master's qualification, You are permitted to fund the Student up to the date that their dissertation is first submitted. Otherwise, the award must be terminated from the date that the Student's registration ceases. When an award is terminated, We must be informed through the Je-S Student Details. Any funding paid to the Student to cover the period after their registration ceased must be reclaimed, any unrecovered funds must be met by You and cannot be charged to the Training Grant.

TGC 7.2 Information Requirements

TGC 7.2.1 You must provide Us with standard information on Students and their training programmes through the Je-S for inclusion in Our management information system.

Failure to provide this information within one month of the Student's registration may result in financial and non-financial sanctions being imposed.

TGC 7.2.2 You must inform Us of any changes that may affect the State Aid status of the Studentship. In addition You must inform Us of any significant changes to the Student's research project funded from the Training Grant within one month of the change being formally agreed by You, including change of Supervisor or project objectives, by updating the Je-S Student Details.

TGC 7.2.3 You must notify us through the Je-S Student Details of Students whose awards have been terminated, suspended, extended or transferred within a month of the change being formally agreed by You.

TGC 7.2.4 You must return information via the Je-S submission rate survey relating to the submission of the Student's thesis.

TGC 7.2.5 Where the award of a doctoral degree has not been recommended, You must amend Je-S Student Details to reflect the actual degree awarded. If a Student submits a doctoral level thesis and is subsequently awarded a lower degree e.g. MPhil, the Research Organisation should record this within Je-S Student Details as 'No Degree Awarded'.

TGC 7.2.6 Students must use Our nominated online system to submit information for monitoring and evaluation purposes on the outputs and outcomes and impacts of the research activity during and for some years after the expiry of the Studentship end date. Further information on reporting requirements can be found on the UKRI website at: <https://www.ukri.org/funding/information-for-award-holders/research-outcomes/help-and-guidance/>

TGC 7.3 Disclosure and Inspection

TGC 7.3.1 We shall be entitled to inspect any financial or other records and procedures associated with the Training Grant as are reasonably required to verify the regularity and propriety of Training Grant expenditure, or to appoint another body or individual for the purpose of such inspection. This includes expenditure by Third Parties.

TGC 7.3.2 If We request it, You must provide a statement of account for the Training Grant, independently examined by an auditor who is a member of a recognised professional body, certifying that the expenditure has been incurred in accordance with the Training Grant Terms and Conditions.

TGC 7.3.3 You must report to us any investigations and their outcomes into research misconduct associated with the Training Grant in advance of any enquiry whether informal or formal, and upon request, provide information on Your management of research integrity and ethics as described at: <https://www.ukri.org/about-us/policies-and-standards/research-integrity/>. In addition, You must provide details of any retractions or withdrawal of submissions/publications, any allegations, proven or not, of cases of fraud and any other complaint or investigation into dishonesty, fraudulent activities or business misconduct, by any regulatory body or the police into Your activities or those of Your staff.

TGC 7.3.4 We will undertake periodic reviews of Research Organisations within the UKRI Funding Assurance Programme (FAP) to seek assurance that Training Grants are managed in accordance with the Terms and Conditions under which they are awarded.

UKRI funded Students are entitled to 52 weeks of maternity or shared parental leave. The first 26 weeks should be paid at full stipend rate, pro-rated as necessary for part time Students. The following 13 weeks should be paid at a level commensurate with statutory maternity pay. The final 13 weeks are not paid. Partners are entitled to up to 10 days paid Ordinary Paternity Leave on full stipend. Partners may be entitled to up to 50 weeks of Shared Parental Leave; this may include paid and unpaid leave, depending on the individual circumstances, any paid leave should be at full stipend. Adoption leave should be granted on the same basis as maternity leave. There is no qualifying period for maternity, paternity, adoption or shared parental leave. Additionally, their Studentship end date should be updated to reflect the period of leave.

TGC 8.2 Sick Leave

Payment of a Studentship must continue for absences covered by a medical certificate for up to thirteen weeks within any 12 month period. If the illness lasts for more than thirteen weeks You must suspend the Studentship for the period beyond the thirteen weeks.

TGC 8.3 Annual Leave

You should ensure that a clear policy on annual leave entitlement exists and that the Student is made aware of this at the start of their Studentship.

TGC 8.4 Absence Costs

At Our discretion compensation may be given to You at the end of the Training Grant to cover additional costs arising from a period of genuine absence in the event that there are insufficient funds in Your Training Account to meet these costs. You must demonstrate a lack of flexibility to meet these costs and an absence of other contingency funding or concurrent Training Grants from which You can draw in order to meet these costs. You may request these costs when completing the Final Expenditure Statement for the Training Grant.

TGC 9 Financial Reporting

TGC 9.1 You are accountable for funds dispersed and are responsible for the timely and accurate submission of all expenditure reports required under the Terms and Conditions of Training Grant, including the submission of an expenditure statement within 3 months of the end of the Training Grant Period. We are entitled to require You to provide supplementary information in support of an interim or final expenditure statement. Once an expenditure statement has been received and the expenditure incurred has been reconciled against payments made, it will be considered as final. Any unspent funds will be recovered.

TGC 9.2 You must retain all accounting information relating to the Training Grant for the current financial year plus the subsequent six years after the submission date of the final expenditure statement.

TGC 9.3 If We send an Annual Statement showing payments made by UKRI to You during the previous financial year for all Grants, including Training Grants, You must complete and return the statement by the specified deadline.

TGC 10 Sanctions

TGC 10.1 We reserve the right to impose financial sanctions and/or additional measures if You do not comply with Your obligations as set out in these Standard Terms and Conditions of Training Grant and any Specific Terms and Conditions of Training Grant.

TGC 10.2 If the Financial Expenditure Statement is not received within 3 months of the end of the Training Grant Period, UKRI will recover 20% of expenditure incurred on the Training Grant. All payments will be recovered if the report or statement is not received within 6 months of the end of the Training Grant Period. You may appeal against a sanction, but must do so within 60 days of the pay run in which the sanction was imposed.

TGC 11 Exploitation and Impact

TGC 11.1 You are responsible for the arrangements relating to the ownership and management of intellectual property. You are expected to put in place an agreement regarding the relative contributions to the creation of intellectual property and any associated revenue sharing arrangements before commercialisation or exploitation commences.

TGC 11.2 You are responsible for ensuring that all parties engaged in the research or training make every reasonable effort to ensure that the intellectual assets obtained in the course of the research, whether protected by intellectual property rights or not, are used to the benefit of society and the economy.

TGC 11.3 In individual cases, We reserve the right to retain ownership of intellectual assets, including intellectual property (or assign it to a third party under an exploitation agreement) and to arrange for it to be exploited for the national benefit and that of the Research Organisation involved.

TGC 11.4 Students supported by the Training Grant shall, subject to the procedures laid down by the Research Organisation, publish the results of their research, excluding theses, funded by the Training Grant, in accordance with normal academic practice and Our policy on Open Access: <https://www.ukri.org/files/legacy/documents/rcukopenaccesspolicy-pdf/>. If this is not appropriate then the flexibility within the Training Grant should be used to cover these costs. Other forms of media communication, including media appearances, press releases and conferences, must acknowledge the support received from Us, quoting the Training Grant reference number if appropriate.

TGC 11.5 We expect that a full text version of the thesis should be available no longer than 12 months following award of the doctorate. We recognise that commercial, collaborative or publication arrangements may necessitate a slight delay at Your discretion, however we expect the thesis to be deposited as soon as possible. We expect You to have in place a documented process for determining where exceptions can be granted to the requirement for publication within 12 months.

TGC 12 Disclaimer

TGC 12.1 UKRI accepts no liability, financial or otherwise, for expenditure or liability arising from the research funded by the Training Grant, except as set out in these Terms and Conditions, or otherwise agreed in writing.

TGC 12.2 UKRI reserves the right to amend the payment profile at its discretion. You will be advised, in advance, of any such change. Changes to payment profiles may affect the overall value of the Training Grant.

TGC 12.3 UKRI reserves the right to terminate the Training Grant at any time, subject to reasonable notice and to any payment that We agree may be necessary to cover outstanding and unavoidable commitments. If a Training Grant is terminated or reduced in value, no liability for payment, redundancy or any other compensatory payment for the dismissal of staff funded by the Training Grant will be accepted, but, subject to the provisions of TGC 9 Financial Reporting, negotiations will be held with regard to other

contractual commitments and concerning the disposal of assets acquired under the Training Grant.

TGC 12.4 Where studies are carried out in an NHS Trust or equivalent, the Trust has a duty of care to its patients. UK Research and Innovation does not accept liability for any failure in the Trust's duty of care, or any negligence on the part of its employees.

TGC 13 Status

TGC 13.1 The Terms and Conditions of Training Grant which include these Standard Terms and Conditions of Training Grant and the Specific Terms and Conditions of Training Grant will be governed by the laws of England and Wales and all matters relating to the Terms and Conditions will be subject to the exclusive jurisdiction of the courts of England and Wales.

TGC 13.2 If any provision of these Terms and Conditions is found by a court or other legitimate body to be illegal, invalid or unreasonable, it will not affect the remaining terms and conditions, which will continue in force.

TGC 13.3 The Terms and Conditions of Training Grant contain the whole agreement between UKRI and the Research Organisation in relation to the Training Grant and neither party intends that any of these Terms and Conditions should be enforceable by any third party.
