Dear Parent,

The following is a list of words that are typical in children’s vocabularies.

For words that your child **understands but does not yet say**, place a mark in the first column, labelled “U”.

```
U   U/S
crocodile  λ  O
```

For words that your child **understands and also says**, place a mark in the second column, labelled “U/S”.

```
U   U/S
crocodile  O  λ
```

If your child uses a different pronunciation of a word (e.g., ‘bickie’ for biscuit, or ‘telly’ for television) - mark the word anyway.

**Occasionally we list two alternative forms - please underline the one your child understands and/or produces.**

```
U   U/S
pool/pond  O  λ
```

Please fill in the whole circle exactly as shown above, do not just tick or partly fill the circle.  
```
correct marking - λ  incorrect markings  O or O
```

This inventory is a comprehensive "catalogue" of words that are used by many different children across a wide age range, so do not worry if your child knows only a few of them at the moment!

If you have any additional comments or information that you think we should consider, please add these at the end of this inventory.

**Thank you very much!**
