Getting Started

Find the login page for Blackboard at:

https://blackboard.lincoln.ac.uk

Click on “First Time Here?”, then the “Click here to Set Password” button. When the “Get Back into your account” page appears, enter your student email address in the User ID box as displayed.

You will find this on the email or letter we sent to you regarding enrolment.

Next, enter the characters in the picture displayed on screen or the words in the audio. Click “Next”.

If you have a personal email address registered with us, you will then receive a verification code and instructions on creating a new University password in your personal email inbox.

If you do not have a personal email address registered with us, please contact ICT Services on 01522 88 6500, or via email at ict@lincoln.ac.uk

You will now need to enter a new password.

Click “Submit”, then go back to https://blackboard.lincoln.ac.uk and log in with your new password.
