

## **School of Natural Sciences**

**Monday 8th September 2.30pm**

Bachelor of Science with Honours in Chemistry

Bachelor of Science with Honours in Chemistry for Drug Discovery and Development

Bachelor of Science with Honours in Chemistry with Education

Bachelor of Science with Honours in Chemistry with Maths

Bachelor of Science with Honours in Chemistry with Science Foundation Year

Bachelor of Science with Honours in Forensic Chemistry

Bachelor of Science with Honours in Forensic Science

Bachelor of Science with Honours in Forensic Science with Science Foundation Year

Master of Chemistry in Chemistry

Master of Chemistry in Chemistry for Drug Discovery and Development

Master of Chemistry in Chemistry with Science Foundation Year

Master of Chemistry in Forensic Chemistry

Master of Science in Analytical Sciences

Master of Science in Forensic Science

Master of Science in Forensic Toxicology

**Monday 8th September 7.30pm**

Bachelor of Arts with Honours in Geography

Bachelor of Science with Honours in Geography

Master of Science in Environment and Planetary Health

Bachelor of Science with Honours in Animal Behaviour and Welfare

Bachelor of Science with Honours in Animal Behaviour and Welfare with Science Fo

Bachelor of Science with Honours in Biochemistry

Bachelor of Science with Honours in Biochemistry with Science Foundation Year

Bachelor of Science with Honours in Biology

Bachelor of Science with Honours in Biology with Science Foundation Year

Bachelor of Science with Honours in Biomedical Science

Bachelor of Science with Honours in Biomedical Science with Science Foundation Y

Bachelor of Science with Honours in Bioveterinary Science

Bachelor of Science with Honours in Bioveterinary Science with Science Foundatio

Bachelor of Science with Honours in Ecology and Conservation

Bachelor of Science with Honours in Ecology and Conservation with Science Founda

Bachelor of Science with Honours in Equine Science

Bachelor of Science with Honours in Equine Sport Science & Coaching

Bachelor of Science with Honours in Equine Therapy & Rehabilitation

Bachelor of Science with Honours in Medical Biosciences

Bachelor of Science with Honours in Zoology

Bachelor of Science with Honours in Zoology with Science Foundation Year

Foundation Degree in Science in Applied Equine Management (Therapy)

Master of Biosciences in Biochemistry

Master of Biosciences in Biology

Master of Biosciences in Biomedical Science

Master of Biosciences in Bioveterinary Science

Master of Biosciences in Medical Biosciences

Master of Biosciences in Zoology

Master of Science in Biodiversity, Conservation and Nature Recovery

Master of Science in Biotechnology

Master of Science in Clinical Animal Behaviour

Master of Science in Microbiology
