A Great Place to Live

One of the world’s great historic cities, Lincoln is renowned for its fusion of old and new. The winning combination of a vibrant city centre and a historic Cathedral Quarter, both offering a rich variety of attractions, activities, and amenities, makes Lincoln a fantastic place in which to live and study.

The city was named the friendliest place in the UK in the Eden Project’s Big Lunch Programme 2016 and also featured in the list of 20 Best Cities in 2017 by The Telegraph.

The University’s Brayford Pool Campus is based in the heart of it all, and most student accommodation is either on the campus or just a short distance away. In fact, more than three quarters of our students travel into campus on foot, one of the highest ratios of any university in the country (Student Travel Survey 2016, as reported by HESA). It’s easy to cycle around too, with several secure bicycle compounds on campus.

Students at Lincoln are able to enjoy a wide range of entertainment right on their doorstep. The city’s nightlife includes restaurants, pubs, cocktail bars, live music venues, and clubs. The Brayford Pool waterfront is home to a nine-screen Odeon cinema, while the Engine Shed, Lincoln Performing Arts Centre, New Theatre Royal, and Lincoln Drill Hall offer a programme of events throughout the year. Football fans can watch Lincoln City Football Club at Sincil Bank, which is just a short walk away. The University even operates a ‘Uni Imps’ scheme which allows students to buy discounted tickets for the Club’s home matches.

Whatever you are looking for, you can find a safe, secure, and well-managed place to live in Lincoln. The University’s accommodation fully complies with the Universities UK/Guild HE Code of Practice. For more information, please visit www.thesac.org.uk.
